Eligibility: You must be a member of the Hanover Area Arts Guild. Dues must be paid in full. If you have not yet renewed your membership, you may do so when you drop off your entries at the gallery.

Please read all of the information below before filling out your registration form.

1. All entries must be for sale. Entries marked “NFS” or “Not for Sale” will not be displayed.
2. You may enter up to four (4) pieces. Only two (2) of these can be designated for judging.
3. All entries must have been completed within the past three (3) years and not previously shown in our gallery – WITH THIS EXCEPTION: Work that was shown in our Open Exhibit (August 2016) may be re-entered in the Fall Show as long as it meets all other requirements.
4. Maximum size of any entry may not exceed 45 inches in any dimension. For framed work, this is measured from the outside edges of the frame.
5. Hanging work must be properly framed: watercolors, drawings, pastels, and other media on paper should be framed under glass or Plexiglas for protection. Mats must be clean and neatly cut. All hanging work MUST be prepared for display with picture wire which will adequately support the weight of the art. Any other type of hanging device, including saw-tooth hangers, will not be accepted. The Gallery Committee reserves the right to reject any work that is damaged or otherwise does not meet the above standards.
5. All entries must remain on display in the gallery for the duration of the show (end of November).
6. All work must meet our standards of originality. Copies of work by other artists or copied from images other than the artists’ own are unacceptable. Subject matter should be appropriate for viewing by all age groups. The Gallery Committee and the Show Committee reserve the right to reject any work that does not meet these standards.
7. The tags provided with this form must be attached to the back of all hanging work or to the base of three-dimensional work for identification. Please attach these tags before bringing your work to the gallery.
8. Craft artists may provide their own display stand if approved by the Gallery Committee. Please ask ahead.
9. Sculpture, when necessary, should be mounted on a base to ensure stability and safety.
10. Entries made from commercially designed and manufactured parts without significant alteration by the artist or craftsman will not be accepted. For example, decorated candles, items cast in molds not made by the artist, or any art made from commercial kits may not be entered.
