All-Member Meeting

Two dozen members and guests attended the annual All-Member Meeting on June 16. This year's meeting featured the announcement of three scholarship award winners – an unprecedented recognition of the quality of the candidates in the competition. All three were graduates of Bermudian Springs High School! The first-place, \$1,000 award winner was **DeAnna Boyer**, (left) who will study illustration at Ringling School of Art and Design. Two \$500 scholarships were awarded, and coincidentally, both winners will attend Rochester Institute of Technology. **Sarah Lenker** (right) will major in photojournalism; **Dorothy Marquet** (below left) will study fine art photography.

The treasurer's report reflected key events of the past year, including increased sales, unexpected income from an endowment, a successful 50th anniversary fundraiser, building and gallery repairs and improvements, and turnover in our residential tenants. **Eric Miller** provided an overview of the shows scheduled for the remainder of 2018, and unveiled the schedule for 2019 which had recently been approved by the board. Board member elections were held, with four members returning for additional three-year terms: **Teresa Aumen**, **Barbara Geesey**, **Eric Miller**, and **Justin Wantz**. **Kim Asper** has decided to leave the board; **Andrew Smith** has been appointed to fill her unexpired term. Many thanks to Kim for her years of dedicated service on the board, and especially for her leadership as president and treasurer. Following the business portion of the meeting, **Dr. Richard Hamwi**, whose work has been hanging in the gallery through June, talked with the audience about his paintings and what inspires him, and answered many thoughtful questions. Both artist and audience found the evening engaging and interesting.

Summer Features \$99 & Under, Students

The annual \$99 and Under sale starts in July and will continue through August. Visitors enjoy browsing through the galleries for art and handcrafts at exceptional prices. At the same time, artwork created by students in Arts Guild classes will be on display as well.

This is a great opportunity for you to see the kinds of creative output you can expect from taking classes and workshop at the Arts Guild. If they look like something you'd like to try, be sure to check out the class and workshop schedule for upcoming offerings!

The Gallery is also participating in the July 14 Christmas in July and Elf on the Shelf scavenger hunt sponsored by Main Street Hanover as a Second Saturday event.

Guild People

We're happy to welcome seven new active members to the Arts Guild, and two new youth members.

Active members are: **Matt Funke**, **Linda Linebaugh**, **Tabitha Mahanna**, **Robert Marchio**, **Peggy Mc Kenrick**, **David Timothy Seitz**, and **Robert Slaterbeck**.

Youth members are: **Victoria Camacho** and **Maya Hagarman**.

Artist of the Month

Maryland native **Teresa Richards** is our Artist of the month for July. After a busy life raising two daughters with husband Tom, working, and earning an associates degree at Carroll Community College, Teresa is now able to focus on her interest in various art-related pursuits. Although she has no formal art training, she has taken watercolor classes with Stacey Lund-Levy and at the Arts Guild.

In addition to showing her work in our Gallery, Teresa belongs to the Baltimore Watercolor Society, Carroll County Artists Guild, and Carroll County Arts Council. She looks forward to many years of additional training and practice with her newly found talent. We look forward to seeing the fruits of her efforts!

A Cheer-worthy Success!

Nearly 100 people attended the *50 Cheers for 50 Years* anniversary celebration at the Hanover Country Club on June 16. Congratulations to **Barb Geesey** and her committee for planning and managing a very enjoyable evening that will benefit the Arts Guild in a big way. Final accounting is not yet available, but the net proceeds for the evening are expected to exceed \$15,000!

“Student” Replacing “Youth” Membership

With the membership renewal period coming up, college students please note: the board acted in June to change the “youth” category of membership to a broader “student” category. Effective immediately, college students who can show a valid college ID can join or renew at the lower student rate, previously known as the youth rate.

Classes and Workshops

Summer offerings are going well, but we’re already thinking ahead. Any instructor who wants to teach or lead a session in the fall should have the details to **Sarah Treusdell** at the front desk by July 14, and plan to attend the instructor meeting for fall on Saturday, June 30 at 1pm.

Out and About

Congratulations to **Jerry Gadd, Eric Miller, and John Walker** for each having a painting juried into the Pennsylvania Watercolor Society’s 39th Annual International Juried Exhibition. The exhibition will run from September 15 to October 20 at the Crary Art Gallery in Warren, PA.

Eric Miller will have paintings on display at the Dillsburg Library through July and August. Eric also won a first place in watercolor still life in the annual Franklin County Art Alliance’s member show.

Joan Schwartzman will have a solo show of her “Floral Portraits” opening in the Danyo gallery in the York Art Association on July 22. The show will be on display until August 25.

Art Bank Use Increasing

The extensive collection of donated art materials, supplies, tools and equipment that makes up our Art Bank is starting to attract more people interested in making “withdrawals.” The remaining summer hours for the Art Bank are:

Wed., July 11, 1-3pm and 6:30-8:30pm

Wed., Aug 22, 1-3pm and 6:30-8:30pm

If you are planning to use the Art Bank during one of these times, please call ahead to the front desk – 717-632-2521 – to register. This will confirm both that there is no change in the schedule, and to reserve your space.

Newsletter Frequency to Change

In an effort to keep this newsletter more useful and relevant to members, we anticipate going from monthly publication to every other month. The current monthly structure tends to contain redundant material, and does not allow for inclusion of many articles that may be of greater interest for readers.

The bi-monthly format, which will continue to be distributed primarily by email, may include information on more regional art happenings and opportunities, guest articles about a variety of topics, or other features that members may suggest and find worthwhile. If you have suggestions for content, please let us know; Frequent updates about interim events or happenings at the gallery will be sent out by email, as we have been doing recently, to keep members informed on a more real-time basis.

Members who do not have access to email will continue to receive the newsletter by US mail, on a bi-monthly basis. The change will be implemented as soon as planning is complete.

2019 Gallery Schedule

The schedule for shows and exhibits in the Gallery next year that was announced at the all-member meeting is available in hard copy at the front desk and will be online soon.
